Garrison, friend or Governor Sulzer and former state employee, who made charges against certain assemblymen and declined to testify regarding them before the assembly must remain in the Albany penitentiary until the assembly managers see fit to release him or this session of the legislature expires. Supreme Court Justice Cochrane, sitting in the case of Garrison's application for writ of habeas corpus, so decided this afternoon. The court ruled the assembly had acted as a court and, therefore, he had no right to interfere with its ruling.

If you want to contribute directly to the occurrence of capillary bronchitis and pneumonia, use cough medicines that contain opium, morphine, heroin and other sedatives when you have a cough or cold.
